Additional Announcements

Basic Sewing machine instruction sponsored by ABWM

This would be a great time to learn how to use your sewing machine.

If you have a portable sewing machine and would like to learn basic operating instructions, how to use a pattern, and other useful sewing tips. We will be making a project. And maybe work on a mission project, too. If some of you have portable machines you don't use and they are in good shape, consider donating them to some one that could use them. If they are in a box and not being used they aren't much good. If you are interested please sign up- sheet in back of church on bulletin board. We will decide what would be a good time once we have sign ups.
