Special Offering Notes: On Christmas Eve, we collected \$2,137 total, of which \$1,292 was designated in envelopes for the RMMO. This left a balance of \$845 that was split between the RMMO and college students. This left \$422.50 for college students and a total of \$1,514.50 for the RMMO (envelope and half of the cash offering).

As a result of the Christmas Eve offering and the special offering for college students on the 29th of December, we were able to send each college student \$240

Blood drive- Thanks for hosting a great blood drive on Friday. You collected 20 units of blood on a goal of 14. You only had 1 deferral and 4 donors made Power Red Donations that netted 8 units – the other 12 were whole blood donations.

You ended up at 143% of projection and will save up to 60 lives!
